

Welcome to Pajulahti!

Pajulahti, an outstanding sports and leisure oasis is the only Olympic and Paralympic Training Center in Finland. Area is located in eastern Lahti, on the clean lake Iso-Kukkanen, just over an hour's drive from Helsinki.

Pajulahti was established in 1929 as the first training center for summer training. Our sports venues, accommodation buildings, well-maintained trails and campfire places as well as beautiful rivers are spread out over Pajulahti's 110 acres. Among our supply of sports venues are Pajulahti Hall, ball arenas, ice arena, swimming hall, combat sports arena, gymnastics, fitness rooms, full-size football fields and outdoor running track as well as the surrounding woods with plenty of tracks to discover.

Orienteering has also been one of the sports supported by Pajulahti for quite some time. To the point, the massive orienteering training camp Leimaus (1000-2000 young orienteers) will be organised in Pajulahti in 2024. Hence, there is plenty of maps from the nearby woods as well as a sprint-o map from the campus area itself. Pajulahti is also suitably located next to WRE competition area (only 21km).
